IMF eLibrary

| The International Monetary Fund's (IMF) eLibrary simplifies analysis and research with direct access to the IMF's periodicals, books, working papers and studies, and data and statistical tools. You will find information and perspectives on macroeconomics, globalization, development, trade and aid, technical assistance, demographics, emerging markets, policy advice, poverty reduction, and so much more.

International Journal of Scientific & Engineering Research -IJSER

| The International Journal of Scientific & Engineering Research is a one-stop, open access source for a large number of high quality and peer reviewed journals in all the fields of science, engineering and technology. Scientists and engineers involved in research can make the most of this growing global forum to publish papers covering their original research or extended versions of already published conference/journal papers, scholarly journals, academic articles, etc.

knowledge@wharton

| The Wharton School of the University of Pennsylvania is committed to sharing its intellectual capital through Knowledge@Wharton, the school's online business analysis journal.

Bangladesh Journal Online

| Bangladesh Journals OnLine (BanglaJOL) is a service to provide access to Bangladesh published research, and increase worldwide knowledge of indigenous scholarship. BanglaJOL is a database of journals published in Bangladesh, covering

the full range of academic disciplines. The objective of BanglaJOL is to give greater visibility to the participating journals, and to the research they convey. BanglaJOL is managed by the Bangladesh Academy of Sciences (BAS) and it is hosted by Ubiquity Press. It

Directory of open access journal

| The DOAJ (Directory of Open Access Journals) was launched in 2003 at Lund University, Sweden, with 300 open access journals. Today, the independent database contains ca. 12000 open access journals covering all areas of science, technology, medicine, social science and humanities.

Directory of open access books

| Directory of Open Access Books (DOAB) is a discovery service that points to Open Access books that can be found elsewhere. It enables you to search the description of the books and enables you to download the books from the site of the publisher. All books in DOAB have a full OA license, making them 'free to share'. All publishers in DOAB are screened for their peer review procedures and licensing policies.

World Bank Open Data site

| World Bank Open Data Free and open access to global development data

American Mathematical Society

| AMS peer-reviewed journals are of the highest quality in mathematical research. Journals have been published since 1891 and cover a broad range of mathematics. Each journal is managed by editors who are prominent in their fields, and each is unique in its offering of articles, book reviews, and reports. In addition to publishing and distributing printed journals, the AMS offers searchable electronic versions that are available prior to the print versions.

Open Access Bangladesh

| Open Access Bangladesh is a platform for advocating open access and sharing success stories of open access movement in the world and Bangladesh. It invites everyone who is involved and interested in the open access movement to discuss and raise issues related to open access in general and in specific to Bangladesh. The group would work for influencing the policy makers, managers, researchers, scholarly societies to adopt open access policy for their research and to take forward the open access m

Indian Open Access Journals

| In India, open access to scholarly communication has been developing for several decades. During May 2004, two workshops were organized by the M S Swaminathan Research Foundation, Chennai which laid the foundation for the Open Access movement in India. The National Knowledge Commission in its recommendations (2006) had proposed that "access to knowledge is the most fundamental way of increasing the opportunities and reach of individuals and groups. In 2009, the Council of Scientific & Industrial

PubMed Central (PMC)

| PubMed Central® (PMC) is a free full-text archive of biomedical and life sciences journal literature at the U.S. National Institutes of Health's National Library of Medicine (NIH/NLM)

BioMed Central
