### About

---

Md. Mizanur Rahman has been working as an Assistant Professor of the Department of Environment and Development Studies, United International University (UIU), Dhaka, Bangladesh, since November 17, 2024. He served as a lecturer in the same department from April 3, 2021, to November 16, 2024. Prior to this teaching position, Rahman was a research fellow from October 2019 to April 2021 at the Institute of Development Studies and Sustainability at UIU. Side by side with this fellowship position, he worked as a research associate in 2020 at the Institute of Health Economics, University of Dhaka, for the feasibility studies of establishing six (06) government medical colleges and hospitals, three (03) government medical universities, and two (02) nursing colleges in Bangladesh. Mr. Rahman received a Bachelor of Social Sciences (BSS) in 2016 and a Master of Social Sciences (MSS) in 2017 in Sociology from the University of Dhaka. His research interests include neoliberalism, development and ecosystem changes, environmental sociology, rural sustainability, gendered dimensions of climate change adaptation, and women empowerment. He flourished his research experiences by involving in different governmental, non-governmental organization (NGO), and international non-governmental organization (INGO) funded projects. He extends a considerable portfolio of published research papers in peer-reviewed international journals. His works have been featured by the AGRIS-International System for Agricultural Science and Technology of the Food and Agriculture Organization (FAO).
