Welcome To

School of Business & Economics

At United International University we see the curriculum as something that embraces more or less everything that a student does. You may ask why we see the curriculum that way. For many university, the curriculum is just the academic part of what a student studies. But that really doesn’t do justice to what an education is. [Read More](#)

SOBE Programs

A business education can be a valuable investment in your own future. And, the right learning experience returns value in ways that go well beyond the monetary.
