Every applicant, without any exception, must fulfill the admission requirements as laid down by the university. Admission test and interview for admission into a trimester will be held as decided by the university. A higher secondary certificate or its equivalent in science with mathematics and physics or other fields of study are the basic educational requirements to get admission to this program. **Admission Test** Applicants will be required to sit for an admission test designed to judge their abilities and aptitude for the program. The test will be held as arranged by the university. The admission test will be held on the following areas: * [Language and Communication](#) * [Mathematics](#) * [Physics](#)

To qualify in a written test an applicant is required to obtain a minimum mark in all the three sections separately.
