Join UIU for an Unforgettable Journey Beyond Academics. The student life at United International University (UIU) is dynamic, enriching, and multifaceted, thanks to the dedicated efforts of the Directorate of Career Counseling and Student Affairs (DCCSA). With a vision to be a center of excellence in career counseling and student affairs, the DCCSA plays a pivotal role in shaping the holistic development of UIU students. The mission of DCCSA revolves around facilitating resources and activities to enhance students’ experiences beyond the classroom. Internship placement, job search and placement assistance, and workshops on essential skills like resume writing and interview techniques are integral to the services provided. The DCCSA fosters corporate relationships, maintaining an employer database and collaborating with bdjobs.com for job services. Beyond academics, students benefit from a range of co-curricular and extra-curricular activities. The plethora of clubs and forums under DCCSA, such as the UIU Debate Club, Cultural Club, Photography Club, and Robotics Club, provide platforms for students to explore their passions and interests. These clubs organize flagship events, competitions, and activities, contributing to the vibrant campus life. The DCCSA also extends support through services like counseling, student loans, financial assistance, and recreational facilities, including a gymnasium and game facilities. The presence of various forums like the UIU Marketing Forum, HR Forum, and Finance Forum adds to the diversity of opportunities for students to engage in professional development. In essence, the UIU student life is a blend of academic excellence, career development, and a rich tapestry of cultural and extracurricular experiences, ensuring that students graduate not only with knowledge but also with a well-rounded skill set and a network of like-minded individuals.
