Vector Mechanics for Engineers : Statics and Dynamics

Author: Beer, Ferdinand P./ Johnston, E. Russell [et al.] **ISBN:** 978-93-85965-02-9 This book is completely overpriced and lacking in terms of clarity and organization. Instead of redesigned the vague and arcane question system, the only changes made from the 10th edition to the 11th appear to be shuffling the order of the questions. [Read More](#) *
