School of Humanities and Social Sciences

## Welcome to

---

BSS in Environment and Development Studies Sustainable Development is a challenge of the moment. The youth are expected to lead the sustainable development movement. There is no alternative to interdisciplinary knowledge and competency in leading Sustainable Development. Besides theoretical ground, an empirical understanding of the three main Pillars of Sustainable Development: Environment, Social, and Economic Development™ is crucial.

## Program offered by the Department

---

Environment and Development Studies in UIU nourishes you to grow as a compatible young leader to reconstruct a knowledge-based sustainable society. The graduates in Environment and Development Studies from UIU will have employment opportunities in the government organizations, banks and financial institutions, education and research institutions, non-government and private organizations, NGOs, INGOs, industries, electronic and print media, power sector organizations, and in various sectors in the national and international domain. Bachelor of EDS

**The Cogs That Turn The Wheels Of Our Success**
