School of Business and Economics

Master of Business Administration

During the last few decades, the global business environment changed more than ever before. Globalization, increasing competition, technological advancement, service orientation and multicultural workplace made the business environment more complex. As a result, there has been a major change in the nature of managerial skills required to take up the challenge of today's business. The MBA program of UIU aims at developing the requisite skills of successful managers in the present business environment.
