No recent posts found. **Vision:** The Department is dedicated to achieving excellence and integrity in pharmaceutical education, cutting-edge research, and professional practices in order to ensure the continuous development of high-quality graduates for the rapidly growing pharmaceutical industries, academia, and improve the healthcare of local and global communities. **Mission :** To empower the students for diverse and competitive career paths by developing their knowledge, skills, attitudes, ability for life-long learning, morals, and commitment to professional and societal responsibilities. **Program Educational Objectives (PEO) include the followings:** **PEO1** | To ensure that students acquire knowledge and competence in pharmacy through a strong core curriculum.

---|---

PEO2 | To develop pharmacy graduates with strong fundamental knowledge and technical skills in pharmaceutical sciences and technology, capable of applying these tools in the pharmaceutical industry and/or institutes

PEO3 | To introduce skilled personnel to manage the affairs of hospital pharmacies, community pharmacy services, drug administration, and other organizations in drug research, marketing, sales, and multidisciplinary approaches in a highly professional and ethical manner.

PEO4 | To improve research and development in several areas of pharmacy by creating knowledge pools that may be used to create improved methods for formulating, quality-control, and standardization of pharmaceuticals.

PEO5 | To inspire students to engage in a lifelong learning process in order to pursue a highly fruitful profession and to connect their pharmacy knowledge to improving health and safety.

PEO6 | To promote studentsâ€™ inquisitiveness and curiosity in order to aid in the development of their research abilities in pharmacy and its associated scientific areas.

PEO7 | To develop professional skills necessary for becoming leaders in the practice environment and the capacity to successfully address upcoming challenges.
