Vision:

To develop outstanding engineers who will engage and contribute to the betterment of humanity.

Mission:

The mission of BSEEE program to build graduates with knowledge, skills, attitudes, ability for life-long learning, ethos, and commitment to professional and societal responsibilities for diverse and competitive career paths.

Program Educational Objectives (PEO) include the followings:

- Graduates will successfully engage in careers in EEE appropriate to their background, interest and skills.
- Graduates will engage in continuous learning and professional development in engineering and other professional fields in an ethical and responsible manner.
- Graduates will develop as technical leaders in their chosen profession and contribute to the technical growth.
