An emerging brand for quality education We aim to provide quality education & on hand practical training to equip the graduates of EEE to face technological challenges of the 21st century, and to develop students in learning ethics, professional conduct, critical thinking and working in a group. 2. Strong support of Faculty Members Currently, the Department has 7 PhDs, 3 MScs and 5 BScs, and designation-wise there are 5 Professors, 2 Associate Professors, 3 Assistant Professors and 5 Lecturers. Students can enjoy lot of counseling hours besides classes. 3. Scholarships UIU has provided scholarships of 10 crore taka alone in the last year which is unparallel considering other private universities in Bangladesh and their student intake. Students can avail up to 100% tuition fee waiver depending on their merit. (Know more about scholarships at UIU) 4. Opportunity to avail studies in European countries with scholarships (See the international collaboration). 5. Strong Support from Career Counselling Center UIU will not just leave you after your graduation; rather, UIU will try best to help you with your career building through Internship Placement, Job Placement and Job search, and relevant workshops and seminars (More about CCC). 6. Resources UIU got all the necessary facilities to encourage your learning: including magnificent building/classrooms, library, access to modern laboratories, ELMS (an electronic communicating system for interactive learning), WIZIQ (online/offline remote learning), access to electronic resources etc. 7. MoUs Memorandum of Understanding (MoU) has been signed with a number of overseas universities (please see the list below) to provide multifarious facilities to UIU students such as transfer of credits as well as different areas of cooperation. UIU has signed a number of MOUs with different organizations to establish strong industry academia relationship. 8. Career in EEE areas EEE of UIU has quite a number of achievements in different sectors. Specially, in the sector of Power and Renewable Energy, UIU is leading team that had arranged conferences/seminars/Fairs and continues a large number collaboration in research and consultancy.
