UIU ASCEND Team Secured 2nd place in Asia at CanSat Competition 2025

June 19, 2025

SHARE: The 'UIU ASCEND' team from United International University (UIU) won 2nd place in Asia and 7th place in the World at the CanSat Competition 2025 organized by the American Astronautical Society (AAS). The competition was held on June 05-08, 2025 in Virginia, USA. The UIU team stood 3rd in Asia and 11th place in the World at the CanSat Competition 2024. The Competition was sponsored by NASA, US Naval Research Lab (NRL), Siemens among others. CanSat is an annual student design-build-launch competition for space-related topics that involves designing a satellite capsule (container and probe). This satellite needs to be launched and deployed at a height of about 670 to 725 meters, and demonstrate successful deployment and landing sequences till the probe lands successfully. A total of 34 teams from around the world, including 03 teams from Bangladesh, participated in the final round of the CanSat competition. Participating in the competition for the second time, the UIU team secured 7th place in the world, 2nd place among Asian teams and 1st place among Bangladesh teams. 34 teams from 17 different countries including USA, Argentina, Taiwan, Canada, Turkey, Korea, UK, India, Italy, Mexico, Malaysia, Singapore and Germany compete in the grand final of the competition. Prior to that, the team passed successfully with flying colors in all the preliminary testing phases. It is a great moment for all of us to have the names of our country and UIU displayed with honor in front of a global audience.
