Success Stories

The mission of UIU is to create excellent human resources with intellectual, creative, technical, moral and practical skills to serve community, industry and region.

Kamrul Islam Shahin

Programmer, Big Web Technologies Limited

Itâ€™s still like a dream. The day I accomplished my goal by finishing my studies, all the struggles of the past years seemed nothing. My hard work showed its result finally. When I started my educational journey with United International University (UIU), the path seemed dark, confusing and quite uncertain. I never thought that it would turn [â€¦] LEARN MORE

Foysal Ahamed

Software Engineer, TigerIT Bangladesh Limited

I still remember the day I first stepped into the UIU campus. I really did not know what kind of career path I would choose. Two weeks into the SPL (Structured Programming Language) course, I discovered something that was driving me, something amazing happened and finally I found myself in a position where I knew what I [â€¦] LEARN MORE

Mohammad Hasan Shaharear

Senior Database Engineer, Therap (BD) Ltd

â€œIt was a complete unknown territory for me when I admitted to BSCSE of UIU in 2003. In fact, I had never operated a computer before. Initially I was a bit exited as well as scared. Though I had tough time in the beginning, gradually I became familiar with logic of computing and programming languages. With the course of time, I had start enjoying different courses. [â€¦] LEARN MORE
