Hussain KMR Behestee

Mobile Device Specialist in K.K. Innovative Solutions

SHARE: Currently, Hussain KMR Behestee is holding the position of Mobile Device Specialist in a Japanese Company named ‘K.K. Innovative Solutions’. He has several years of experience in the Software Development Arena. He worked at Banglafire Solution Ltd. as Lead Software Engineer, The Jaxara IT Ltd. (Dhaka office of Most Investment LLC.), bGlobal Sourcing LLC, Dhaka Office. He has been involved with project management and development of several U.S. and Japan-based Projects. Already, He has developed and managed several websites and mobile applications which are being used by a large number of communities from different countries, such as USA, Canada, Australia, U.K., Japan and Bangladesh. Behestee involved in developing Mobile Applications for Android and iOS. Besides this, he is also well experienced with third party multi-platform deployment environments like Genexus, Corona SDK, Sencha Touch and Ionic with Cordova. He has developed several plugins for Cordova. In a word, he is an all-rounder with a key set of skills in the field of mobile/web application development. He completed his BSc in CSE with a major in Software Engineering from United International University, Bangladesh. His teachers and fellows loved Behestee a lot because of his proactiveness and passion. He was very interested in involving himself in several co-curricular activities such as he worked as a volunteer at ICCIT Council. Behestee obtained the Advanced Certificate For Management Professionals (ACMP) degree from the Institute of Business Administration (IBA), University of Dhaka in 2018. Behestee is a very productive person. He is a forward-thinking natural-born leader. Lots of work and little talk- that's his way! He is a real team player who possesses very strong logic and analytical ability with a well organized and very goal-oriented person. He is closely related to the UIU CSE Alumni association and plays a vital role to co-operate and help each other to reach their goals.
